Lancashire Cricket Foundation Limited Trustees' Report

The Trustees, who are also directors of the charitable company (the Foundation), present their annual report (including the Strategic Report) on the affairs of the Foundation and its subsidiary, together with the financial statements and auditor's report for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out on pages 13 & 14 and comply with the charity's memorandum and articles of association and applicable law. The liability of the members is limited at £10.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit. The main activities in relation to those purposes for the public benefit have been discussed in the "Our activities and achievements" section of this report.

Incorporation

The charitable company was incorporated on 9 October 2007 by a Memorandum and Articles of Association, and is a registered charity (No. 1121855). The registered office of the charitable company and Foundation is Lancashire County Cricket Club, Emirates Old Trafford, Manchester, M16 0PX.

Who We Are and What We Do

The Foundation aims to Inspire Individuals and Communities through Cricket and is the official charity arm of Lancashire Cricket. The Foundation is an independent and registered charity governed by a Board of Directors.

The objects of the Foundation (listed below) are for the benefit of the public generally and, in particular, the inhabitants of Lancashire and its surrounding areas:

- To promote community participation in healthy recreation by providing facilities for the playing of and development of cricket and other sports capable of improving health (facilities in this clause means land, buildings, equipment and organising sporting activities including coaching and course of instruction);
- To provide or assist in providing facilities for the playing of and development of the game of cricket and other games or sports on a recreational basis for the leisure time occupation of such persons who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life;
- To advance the education of children and young people through such means as the Trustees think fit in accordance with the law of charity; and
- For the general purposes of such charitable bodies or for such other exclusively charitable purposes in each case as the Trustees may from time to time decide.

The Foundation is the governing body for recreational cricket in Lancashire and works in the community to deliver a range of health, education, community cohesion and cricket development projects, programmes and events.

Our Aims

Relating directly to the objects of the charity, the Strategic Aims (listed below) provide a framework around which operational delivery is shaped.

- Use the power of cricket and sport to motivate, educate and inspire our community;
- Improve the health and well-being of the community;
- Provide education and training opportunities for schools and the wider community;
- Positively develop and support work which targets women, disabled people and minority ethnic communities;
- Fundraise to support the charitable and community work of the cricket club; and
- Ensure Lancashire County Cricket Club ("LCCC") becomes an important and central hub for the community.

Our activities and achievements

Each of the projects, programmes and events delivered by the Foundation in 2020 directly contributed to at least one of the Strategic Aims of the organisation and also has a clearly defined and measurable outcome and series of outputs in place. Performance against these is monitored and reported back to the Foundation Board.

Despite the impact of Covid-19, below are some of the activities that the Lancashire Cricket Foundation has delivered and supported in the last twelve months.

Inspiring Our Schools Through Cricket:

- 16,598 unique participants from 340 schools/venues across Lancashire accessing high quality cricket provision through the Chance to Shine Primary, Secondary Girls and Street Programmes;
- 6 schools and colleges taking part in the Lord's Taverners funded Table Cricket competition, with 21 teachers and school staff attending online training. A kit donation scheme allowed 6 schools to access kit for delivery through lockdown(s);
- 32 pupils from one school provided with a high quality positive onsite education experience through the Education Without Boundaries programme.

Growing Cricket In Our Leagues & Clubs:

- 229 cricket clubs (of which 141 have Clubmark), including 183 clubs with a junior section engaged and supported;
- 86 nomadic teams playing across our leagues engaged;
- 19 clubs with a girl's section and 33 club with a women's section supported to offer cricket across Lancashire;
- Support provided to 16 senior and 8 junior cricket leagues across the county;
- D40, S9, Hearing Impaired and Visually Impaired disability squads supported via virtual activity;

**Lancashire Cricket Foundation Limited
Trustees' Report (cont'd)**

Our activities and achievements (cont'd)

Growing Cricket In Our Leagues & Clubs (cont'd):

- Support provided to local Clubs & Leagues to source funding in excess of £2.69M to help them through COVID-19 disruption and other requirements such as flooding;
- 90 newly qualified Foundation 1 coaches throughout Lancashire;
- 356 participants taking part in the All Stars Cricket programme across 54 recreational club-based centres;
- 1,406 individual players from recreational cricket clubs now linked up with Lancashire Line and earning funds to support their club;
- Circa £31,000 donated back to recreational cricket clubs through the Lancashire Line Lottery to support club development.

Inspiring Our Communities Through Cricket:

- 193 participants engaged through the Lord's Taverners funded Wicketz project across 3 Hubs in the city of Manchester, Salford and Trafford, with a total of 1,664 attendances;
- 21 lifestyle workshops delivered to Wicketz participants, using cricket to help address social issues young people face in their communities;
- 55 sessions with 636 attendances of 107 unique participants from 7 schools engaged in the Girls Without Boundaries programme, designed to build self-confidence and self-esteem in disengaged young women;
- 1 GWB Competition held at EOT for all 7 schools; 15 virtual sessions with 54 attendances of 9 participants;
- 6 Hub sites with 367 attendances and 53 taster sessions delivered with 554 attendances plus 128 attendances through virtual sessions of the Lord's Taverners funded Super 1's programme;
- The Super 9's disability side received indoor training sessions at start of the year but no competitive matches were able to take place;
- 14 teachers from 2 SEN schools received training in Table Cricket and 4 schools provided with equipment to enable activity to continue;
- 2 community Table Cricket hubs maintained, with 15 regular attendees;
- 350 young people and adults from targeted communities benefitted from improved informal cricket provision across the city of Manchester through the Core Cities programme;
- 198 unique participants engaged in the Core Cities Indoor Cricket League;
- 27 coaches and umpires trained and given ongoing support through the Core Cities programme;
- 51 young people from Salford and Trafford completed one of our National Citizen Service (NCS) programmes, a youth empowerment programme focused on social integration, community and youth development, and emboldening young people to make a positive difference in the world they live;
- NCS young people gave back over 1,100 hours to their local communities through a range of social action projects;
- 3 young people aged 17-19 qualified as an ECB Level 1 coaches, and one aged 21-24 qualified as an ECB Level 2 coach, through our Lord's Taverners Wicketz programme;
- 5 young coaches aged 17-24 volunteered a total of more than 100 hours to Wicketz;
- 6 Sporting Memories sessions delivered with 65 attendances, and 84 virtual sessions with 1,344 attendances;
- 18 Lanky's Arts Classes, a creative arts, crafts, music and dance class for 0-5 year olds had 135 attendances (95 from Trafford) with 17 new participants;
- In excess of 8,000 individuals supporting our work to 'Inspire Communities Through Cricket' through the Lancashire Line, Friends of the Foundation and other Lottery events and draws.

Any funding grants issued by the Foundation are managed through an application process, authorised by the Board of Directors and only fund activity that directly relates to the Objects and Aims of the charity. All other funds generated directly support the delivery of Foundation activities and/or are distributed to organisations as a part of a pre agreed fundraising initiative.

The Foundation will continue to deliver many of the activities listed above and will only develop and implement new activities where they directly relate to the Objects and Aims of the charity.

Fundraising

The Foundation generated £24,570 (2019: £52,939) from fundraising activities in 2020.

All funding received / raised is utilised to employ staff to develop and deliver projects, programmes and events that directly impact on the following Strategic Aims of the organisation:

- Provide increased opportunities for 'MORE PLAY' - Delivering a diverse range of high quality accessible projects, programmes and events that provide increased opportunities for everyone to play the game; inspiring the next generation of players across the North West;
- Support the development of 'GREAT TEAMS' - Providing the infrastructure support necessary to ensure a sustainable and successful club & league network is in place across the North West;
- Create 'INSPIRED FANS' - Using the power of Lancashire Cricket to provide families & individuals from across the North West with positive inspirational cricketing experiences; and
- Address local 'COMMUNITY NEED' - Delivering high quality interventions that address identified community need; ensuring Lancashire Cricket becomes an important, central hub for the community.

Structure, governance and management

The Trustees who have served during the year and since the year end are set out on page 1.

The Trustees meet at least six times per year and on any other occasion as judged necessary in order to review progress and determine matters of strategy & policy.

Every decision of the Trustees shall be determined by the majority of votes of the Trustees present and voting on the question. There shall be a quorum when two Trustees are present at any meeting.

All Trustees serve a three year term following which they can seek re-appointment. The existing Trustees have the power to appoint further Trustees provided they have attained the age of eighteen years and are not disqualified from taking office. The Trustees are not actively recruiting at present but have measures in place to consider potential applicants as they might arise.

New Trustees undergo some training to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes of the Foundation, the business plan and recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

The operational management of the charity is shared between the Head of Community Growth and Head of Cricket Relationships. Performance of both these positions and the charity itself are reviewed at all Foundation Board meetings and any decisions on remuneration of all staff members are ratified by the Trustees.

We believe that all the Trustees have the experience required to carry out their duties effectively.

Lancashire Cricket Foundation Limited
Trustees' Report (cont'd)
Structure, governance and management (Cont'd)

As detailed in Note 13 to the financial statements, the Charity has three related parties, Lancashire County Cricket Club, Lancashire County Cricket Club Development Association, for which the Charity is the sole member, and LCCC Trust Trading Limited, the Charity's trading subsidiary.

Financial review

Despite the dramatic impact of the global pandemic which led to the need for a major restructuring of the Foundation's workforce, leading to redundancy costs totalling £133,344, a small surplus of £26,670 was generated in the year which represented a significant improvement on the prior year deficit of £363,365.

The Foundation was unable to carry out much of its activities and was forced to place most of its staff on furlough, thus taking advantage of the government's employment support scheme to help retain most of its staff. The lost revenues were largely offset by significant cost reductions, with programme delivery expenditure significantly curtailed. The restructuring and significant cost cutting regime put in place has been carried forward into 2021 and projections demonstrate that the charity will move back into positive reserves territory by 2022. Whilst uncertainty surrounding the impact of Covid-19 continues, the closing bank balance of £248,907, the continuing support of Lancashire County Cricket Club and the positive operating cash flows expected in 2021, all indicate that the underlying financial resources of the foundation remain relatively healthy.

During the year, the Foundation received donations amounting to £1,265,920 (2019: £1,196,649). In addition, the Foundation received gift aid income of £2,992 (2019: £805), event income of £24,570 (2019: £27,902) and grant income of £420,342 (2019 £NIL) from the government coronavirus job retention scheme. Including donations this contributed towards total income of £1,739,728 (2019: £1,356,625).

The Foundation has incurred expenses in relation to charitable activities during the course of the year relating to donations of £NIL (2019: £NIL), payroll costs £1,392,027 (2019: £1,249,096) and other charitable costs £252,097 (2019: £399,431).

The Group generated a net profit in the year of £26,370 (2019: deficit of £363,365) after consolidating its 100% subsidiary, LCCC Trust Trading Limited, which generated a net surplus of £NIL (2019: £3,194).

The Trustees remain confident that the Foundation can continue to operate for at least the next twelve months. Financial projections have been prepared using largely guaranteed revenues and without reflecting the benefit of any continuing government support schemes, and with costs still based on a full year of activity; therefore with built in contingency should the pandemic continue well into 2021. These forecasts and resulting positive operating cashflows will result in the Foundation returning to positive general reserves during 2022. Finally, the main creditor and key strategic partner, Lancashire County Cricket Club, have re-affirmed their support and will only require settlement of any debtors due from the Foundation during the next twelve months, as and when it can be afforded.

Reserves

The Foundation seeks to retain a general reserve to provide sufficient resources to ensure that the level of expenditure, both charitable spend and overheads, expected in the next 12 months (as a minimum), is covered. It is clear that during 2019, reserves fell below the targeted levels and since then the impact of Covid-19 has limited the extent to which the Trustees have been able to take action to successfully clear the deficit and re-build reserves. As discussed above, the Trustees are continuing to proactively address this issue and are confident that cash flows for the next twelve months will be sufficient to support the charity. The current reserves deficit is projected to be cleared by the 31 December 2021 year end with reserves then to be built back up again during 2022.

Grants

The Charity only distributes grants as directed by the England and Wales Cricket Board (ECB) for specific programmes designed to support cricket club development and cricket club improvement work. The funding amounts are fixed by the ECB, the Foundation monitors the performance of a club against any grant allocated. All funding distributed in this way contributes to the strategic aim to 'Support the development of 'Great Teams', providing the infrastructure support necessary to ensure a sustainable and successful club & league network is in place across the North West.

Future Plans

The development of the new Lancashire Cricket Foundation strategy and staff structure lays out the organisation's focus/direction of travel aligned to the ECB CPA process for the next 4 years, The Foundation will work through the strategy and structure to develop and deliver projects, programmes, events that engage, excite, inspire and improve individuals and communities through cricket in order to grow the appeal of the game at all levels.

Risk management

The Trustees have reviewed the major risks to which the Foundation is exposed (listed below) and this topic is regularly discussed at Trustees' meetings.

Financial Sustainability:

The Foundation Board scrutinises financial performance at all Board meetings. The financial management accounts are prepared with support from the LCCC Accounts Department. Visibility of future funding streams is critical to the continuation of the Foundation's activities and maintaining its staffing resources. The Board focus heavily on ensuring the delivery of projects is commensurate with funding received.

Financial Claims:

The LCCC Foundation has appropriate insurance cover in place as well as up to date policies and procedures in relation to operational delivery and the protection of children and vulnerable adults.

Skills Gap:

In order to effectively deliver its objectives it has been identified that the new Foundation Board will need to appoint additional expertise; in particular non-executive director roles that will represent key ECB and Foundation agendas including women and girls, education and diverse communities. The appointment of these new roles will be driven by the Foundation Board and will support the strategic decision making of the organisation as well as providing operational intelligence, and guidance for the Foundation staff.

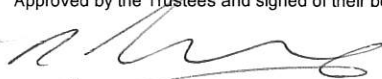

Auditor

The Trustees at the date of approval of this report confirm that:

- So far as the Trustees are aware, there is no relevant audit information of which the Foundation's auditor is unaware; and
- The Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Foundation's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of S418 of the Companies Act 2006. Hurst Accountants Limited

Approved by the Trustees and signed of their behalf by:

Robert Cross
Chairman

26 April 2021

Lancashire Cricket Foundation Limited
Trustees' responsibilities statement

The Trustees (who are also directors of Lancashire Cricket Foundation Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in charities SORP;
- make judgements that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF LANCASHIRE CRICKET FOUNDATION LIMITED

Opinion

We have audited the financial statements of Lancashire Cricket Foundation Limited (the "Charity") for the year ended 31 December 2020 which comprise the Consolidated Statement of Financial Activities including Income and Expenditure Account, the Charity Statement of Financial Activities including Income and Expenditure Account, the Consolidated Balance Sheet, the Charity Balance Sheet, the Consolidated Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and of the parent charitable Company's affairs as at 31 December 2020 and of the Group's and parent charitable Company's incoming resources and application of resources for the year then ended
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Charity has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we need for our audit.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF LANCASHIRE CRICKET FOUNDATION LIMITED (Cont'd)

Responsibilities of the Trustees

As explained more fully in the Trustees' Responsibilities Statement on Page 5, the Trustees are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. We identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

Identifying and assessing potential risks relating to irregularities

In identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry and sector, control environment and the Charity's objectives and aims;
- enquiring of management concerning the policies and procedures relating to:
- identifying, evaluating and complying with laws and regulations, particularly in relation to The Charity Commission and whether they were aware of any instances of non-compliance;
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
- the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- discussions amongst the engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud;
- obtaining and understanding the legal and regulatory frameworks that the Charity operates in, such as provisions of the Companies Act 2006, the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, pensions and tax legislation, General Data Protection requirements, Anti-Bribery policy, Health and Safety and the application of Coronavirus Job Retention Scheme and other central and local government grants and support.
- communication with The Charity Commission and minutes of Trustees' meetings.

Audit response to risks identified

Our procedures to respond to the risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management concerning actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reviewing manual journals posted by management throughout the period and testing any unusual or unexpected entries;
- carrying out substantive testing to confirm the validity and accuracy of grant claims under the Coronavirus Job Retention Scheme;
- testing a sample of income and expenditure ensuring that they are in accordance with the aims and objectives of the Charity.

We have also considered the risks noted above in addressing the risk of fraud through management override of controls:

- testing the appropriateness of journal entries and other adjustments;
- assessing whether the judgements made in making accounting estimates are indicative of a potential bias;
- evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF LANCASHIRE CRICKET FOUNDATION LIMITED (Cont'd)

There are inherent limitations in the audit procedures and there is an unavoidable risk that we may not have detected some material misstatements in the financial statements. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the Charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Principal accounting policies

a Company and charitable status

Lancashire Cricket Foundation Limited, a public benefit entity, is incorporated in England and Wales as a company limited by guarantee not having a share capital. There are currently 9 Trustees, 4 of whom are also the members of the company. Each member has undertaken to contribute to the assets in the event of winding up a sum not exceeding £10. The charity is a registered charity. The registered office is given on page 1.

b Basis of accounting

The financial statements are prepared under the historical cost convention, in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities (SORP 2015)" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), effective 1 January 2015; and the Companies Act 2006.

The charity meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemption available to it in respect of its separate financial statements in relation to presentation of a cash flow statement.

Basis of consolidation

The consolidated financial statements comprise Lancashire Cricket Foundation Limited and its wholly-owned subsidiary undertaking, LCCC Trust Trading Limited. The summarised profit and loss account for the subsidiary is shown in note 8. The results of the subsidiary are consolidated on a line by line basis.

The principal accounting policies are set out below.

c Income

Grants, donations, legacies and voluntary income

Income is recognised when the group and charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably. Grants, donations, legacies and voluntary income are recognised in full in the Statement of Financial Activities in the year in which the above conditions are satisfied.

Investment income

Investment income is accounted for in the year in which the group is entitled to receipt.

Trading income

Turnover is stated net of VAT and trade discounts. Turnover from the supply of services represents the value of services provided under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due. Where payments are received from customers in advance of services provided the amounts are recorded as deferred income and included as part of creditors due within one year. All turnover was generated in the UK from the group's principal activities.

Deferred income

Income received in respect of future periods is treated as deferred income.

d Going concern

The Foundation only makes discreet one off payments so there is never any obligations to beneficiaries for future funding. In this respect, donations are only made if there are sufficient cash reserves in place.

Notwithstanding the net current liabilities position at 31 December 2020 of £187,725 and despite only a small surplus in 2020, and large deficit incurred in the prior year, the financial statements have been prepared on a going concern basis. This is also the conclusion of the Foundation's Board after taking full consideration of the ongoing uncertainties caused by the Covid-19 pandemic that is affecting both the UK and World's economies.

As set out in the Trustee's Responsibilities Statement on page 5, in preparing these financial statements the Trustees are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation. The Trustees remain confident that the Foundation can continue to operate for at least the next twelve months. Financial projections have been prepared using largely guaranteed revenues and without reflecting the benefit of any continuing government support schemes, and with costs still based on a full year of activity; therefore with built in contingency should the pandemic continue well into 2021. These forecasts and resulting positive operating cashflows will result in the Foundation returning to positive general reserves during 2022. Finally, the main creditor and key strategic partner, Lancashire County Cricket Club, have re-affirmed their support and will only require settlement of any debtors due from the Foundation during the next twelve months, as and when it can be afforded.

e Expenditure

Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of charitable cricket activities, events, projects and programmes to further the purposes of the charity and their associated support costs.
- Costs of raising funds comprise the direct costs of fund raising events and initiatives and their associated support costs.
- Trading costs comprise the costs of the trading subsidiary, LCCC Trust Trading Ltd and represent the costs of hosting concerts and other events with a view to making reasonable profits to donate to charitable cricket activities.
- Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charitable cricket activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 5.

f Tax

The Foundation is a registered charity and as such is exempt from taxation on its income to the extent that they are applied to its charitable purpose.

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised on all timing differences where the transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's relivable tax losses and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax assets are recognised when it is more likely than not that they will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantively enacted by the balance sheet date.

1 Principal accounting policies (cont'd)

g Investments

In the parent charity balance sheet, investment in subsidiary undertaking is measured at cost less impairment.

h Tangible assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets on a straight line basis over their expected useful life as follows:

- Computer Equipment 5 years

i Fund accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the Foundation.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through terms of an appeal. The restricted funds are held in the Balance sheet as a combination of cash at bank and amounts due from related parties.

j Pensions

For defined contribution schemes the amount charged to the Statement of Financial Activities in respect of pension costs and other retirement benefits is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

k Financial instruments

Financial assets and financial liabilities are recognised when the group and charity become a party to the contractual provisions of the instrument. All financial assets and liabilities are initially measured at transaction price (including transaction costs).

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Creditors and provisions are recognised where the group and charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The group and charity only have financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Foundation's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.

3 Result for year

	2020 £	2019 £
The surplus / (deficit) for the year is stated after charging:		
Auditor's remuneration	500	500
Depreciation	6,030	5,066

Company	311,729	957,183	1,268,912	434,136	763,318	1,197,454

The Restricted funds relate to the following projects:

Trafford Youth Trust; funding to run or 'Girls without Boundaries' project, supporting girls from underprivileged backgrounds, developing confidence and promote self-esteem through the discipline of self defense, music and dance.

England & Wales Cricket Board; funding to provide a range of cricket development projects, programmes and events to engage, excite, inspire and improve individuals and communities in order to grow the game.

Chance 2 Shine; funding to deliver cricket projects, programmes and events in primary and secondary schools.

The Lord Taverners; the project provides apprenticeship opportunities and life skills workshops in targeted communities of Salford, Trafford and Manchester for young people aged 8-15.

Coach Core City; the project provides apprenticeship opportunities, giving young people the opportunity to learn and develop as sports coaches.

NCS; a personal and social development for 16-17 year olds in England and Northern Ireland, funded by money from the UK Government.

All Stars Cricket; an initiative from the ECB aimed at providing children aged 5 to 8 with a great experience in cricket.

5 Analysis of expenditure on charitable activities

The activities linked to the restricted funds are discussed in note 4.

Any restricted funds balances at the the year end relate to timing differences relating to income received in advance of expenditure incurred on related charitable activities.

13 Related Party Transactions

The Trustees consider Lancashire County Cricket Club Limited, a registered society under the Co-operative and Community Benefit Societies Act 2014, registered in England and Wales, to be a related party due to their close day to day working relationships. Included within charitable activity expenses are payroll related costs recharged from Lancashire County Cricket Club Limited equating to £1,455,750 (2019 £1,303,277); this recharge has been offset in arriving at the debtor per note 10. During the year a donation of £20,000 (2019 £70,000) was accrued and subsequently paid over from the Lancashire County Cricket Club Development Association which is considered to be a related party due to key management control.

The amount owed by the Lancashire County Cricket Club Development Association at 31 December 2020 was £20,000 (2019 £nil).

The amount owed to Lancashire County Cricket Club at 31 December 2020 was £435,795 (2019 £386,987).

Key management compensation in the year totalled £106,111 (2019 £110,345).
